

## **EGPAF is responding to questions related to RFP # #0148A**

### **Development Consultant Questions:**

Should travel costs (i.e. per diem, lodging, transportation, vaccinations, visa costs etc.) be listed separately in the pricing or will those costs be covered by EGPAF?

- Travel costs will be covered by EGPAF, and it is not necessary to provide an estimate of these costs at this time.

How many days per trip is the consultant anticipated to spend in Nigeria?

- The number of days per trip is to-be-determined, in cooperation with the consultant around EGPAF's needs; however, it will be in the range of 10 days in country per trip.
