- 7) All quotes should be valid for a minimum of 90 days.

Such submissions shall be considered and treated by the Foundation as offers to enter into an agreement.
- 9) The Foundation reserves the right to reject all submissions, in whole or in part, enter into negotiations with any party, and/or award multiple contracts.
- 10) The Foundation shall not be obligated for the payment of any sums whatsoever to any recipient of the solicitation until and unless a written contract between the parties is executed.

If the goods/services provided to the Foundation are deemed unacceptable or fail to meet any of the conditions or specifications described in the submitted quote, the Foundation will have the opportunity to cancel the order without penalty and receive full payment for any potential costs already incurred and paid to the Vendor.
- 13) The goods/services will be provided at the selected Supplier's premises unless otherwise requested and authorized by the Foundation. Payment will be made via check or electronic transfer.
- 14) Upon selection and execution of a final contract, Vendor will deliver the goods and/or services within a specified timeframe captured in the agreement.

ATTACHMENT 2: PURCHASE ORDER TERMS AND CONDITIONS

- 1) **AUTHORIZED SIGNATURE AND ACCEPTANCE.** This Order is the Foundation's offer to the Vendor. This Order will only become legally binding when all required signatures have been obtained. The Vendor accepts this Order and any amendments by signing the acceptance copy and returning it to the Foundation promptly. However, even without such written acknowledgment, the Vendor's full or partial performance under this Order binds the Vendor to comply with all the terms and conditions of this Order, which includes any supplements to it, and all specifications and other documents referred to in this Order.
- 2) **ORDER OF PRECEDENCE.** In the event of any inconsistency between any parts of this Order, the inconsistency shall be resolved by giving precedence in the following order: (i) Body of the Order; (ii) Attachment A. Terms and Conditions; (iii) Attachment C. Donor Terms, if applicable; (iv) Attachment B. Final Scope/Budget or Quote; (v) Attachment D. Other Additional Attachments, if applicable.
- 3) **PRICES.** All prices are firm unless otherwise agreed to by the Foundation in writing.
- 4) **ADDITIONAL CHARGES.** No additional charges of any kind will be allowed unless specifically agreed to by the Foundation in advance and in writing.
- 5) **OWNERSHIP OF DELIVERABLES/WARRANTIES.** All Deliverables will be owned exclusively by the Foundation. Vendor will not use or allow the use of the Deliverables for any purpose other than Vendor's performance of the services without the prior written consent of the Foundation. Vendor represents and warrants that Vendor owns all right, title, and interest in all Intellectual Property (IP) created or provided by Vendor to the Foundation in performance of this Order, and such IP does not and will not infringe any patent, copyright, trade secret, trademark, right of privacy, or any other right of any third party.
- 6) **AGREEMENT AND MODIFICATION.** This Order, including all Attachments, shall constitute the entire agreement between the Parties, and no obligations not written in the agreement are binding upon them. No alteration of any of the provisions shall be binding, unless in writing and signed by the Foundation.
- 7) **SUBCONTRACTING.** Vendor shall not subcontract nor delegate performance called for under this Order without prior written consent of the Foundation.
- 8) **FORCE MAJEURE.** Any delay or failure of either party to perform its obligations hereunder shall be excused if caused by an event or occurrence beyond the reasonable control of the party and without its fault provided that written notice of such delay shall be given by the affected party to the other party within ten (10) days of the event or occurrence. During the period of such delay by the Vendor, the Foundation may buy services from other sources and reduce its fees to the Vendor without liability to the Foundation, or have Vendor provide the services from other sources at the price set forth in this order.
- 9) **DELIVERY.** Except as hereinafter provided, delivery shall be made in accordance with the time stated on this Order and the Foundation reserves the right to cancel the order if delivery is not

made as specified. If the Vendor has reason to believe that deliveries will not be made as requested in the Foundation's Order, the Vendor shall provide written notice setting forth the cause and period of the anticipated delay.

- 10) SHIPPING TERMS. Where applicable, unless otherwise specified in the Body of the Order, the shipping terms shall be delivered to the Foundation Duty Paid. The Vendor shall deliver the goods to the Foundation at the specified delivery destination. The Vendor shall bear all costs and risks of moving the goods to the delivery destination, including the payment of any Customs duties and taxes.

- 11) INSPECTION AND ACCEPTANCE. All goods and services shall be subject to inspection by the Foundation prior to final acceptance. Final acceptance or rejection of the goods or services will be made as promptly as practical after delivery. Failure to immediately detect defects by inspection will not relieve the Vendor from its responsibility to provide acceptable and non-defective goods or services. At the Foundation's option, if goods or services do not conform to the requirements of this Order, the Foundation may (1) return the nonconforming goods or services to the Vendor for a refund or credit, (2) require the Vendor to replace the nonconforming goods or services, or (3) require the Vendor to repair the nonconforming goods or services so that they meet the requirements.

- 12) DEFAULT. The Foundation may by written notice terminate all or any part of this Order if the Vendor fails to: (1) Provide the goods or perform the services, with suitable quality, within the time specified on this Order; or (2) Perform any other requirement of this Order and does not cure such failure within ten (10) days after receipt of notice from the Foundation specifying such failure. In all cases of termination for default, the Vendor is not entitled to any compensation for foregone profit, undelivered goods/service, or unacceptable goods/services.

- 13) DISPUTES RESOLUTION. The Foundation and Vendor agree that they will work together industriously and in a spirit of cooperation to resolve any disputes that may arise. If good faith negotiations between the Parties do not resolve the matter, then the Parties agree to submit any disputes or claims to arbitration. The dispute resolution mechanism will be in accordance with the arbitration law in the country in which the Order is issued. The venue for arbitration shall be the country where the work is performed. Notice of a request for arbitration shall be filed in writing with the other Party and shall be made within reasonable time after the dispute has arisen. Arbitration is the sole and mandatory method of dispute resolution, unless prohibited by local law. The agreement rendered by the arbitrator shall be final, and judgment may be entered upon it in accordance with applicable laws in any court having jurisdiction thereof.

- 14) NON-DISCLOSURE. The Vendor expressly agrees not to disclose, copy, or otherwise distribute to any third party, any portion of the content of any document/data received from the Foundation without the Foundation's prior written approval.

- 15) LIABILITY FOR INJURY. The Vendor shall indemnify the Foundation against any liability for all personal injury and/or property damage caused by the services performed by the Vendor.

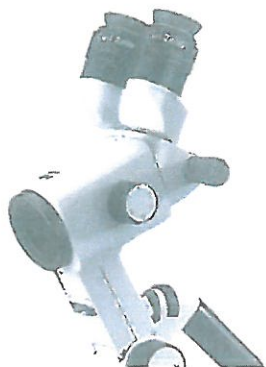

16) NON-WAIVER. The failure of the Foundation to enforce any of the provisions contained in this Order does not waive these provisions, nor does it waive the right of the Foundation to enforce every provision.

- 17) **APPLICABLE LAW AND FORUM.** This Order shall be interpreted in accordance with, and shall be governed by the laws of the United States and the laws of the country in which the work is being performed. In case of discrepancy, the local law shall prevail.
- 18) **COMPLIANCE WITH LAWS.** Vendor agrees to comply with the provisions of all present and future federal and local law or ordinance and all other rules, and regulations applicable to this Order and its performance. Vendor certifies that neither its firm nor Directors are presently debarred, suspended, or otherwise ineligible (e.g., listed with an exclusion on SAM.gov) to conduct business.
- 19) **TAXES and LEGAL STATUS.** The Elizabeth Glaser Pediatric AIDS Foundation is a tax-exempt 501(c)3 nonprofit organization incorporated in the state of California, United States of America, and the Foundation is registered in the countries where it works.
