Terms on Option Quantity

The Foundation may purchase more quantities than the unit(s) specified above in the next months. It is assumed that the prices quoted shall **remain fixed** during the initial contract period but should there be a price change, then the maximum percentage rate with which those prices will increase will need to be stated (for example, the prices in the attached quote will increase no more than 1.5% for the next order(s) should the Foundation wish to exercise this option).

This will be included in the final Purchase Order. If unable to provide a priced option at this time or should any of the goods/services offered by the vendor become unavailable, or unavailable at the unit rate originally proposed, the contractor will inform EGPAF of any changes in prices prior to the exercise of an option. Pricing shall otherwise remain fixed at the originally agreed-upon price and mutually agreed upon by both parties via an amendment to the original Purchase Order.

Upon placement of an order, the vendor will deliver the goods/service within a specified timeframe. Failure to deliver within agreed time frame will result in cancellation of the contract. Each Order placed by the Foundation shall state the items to be purchased, the location to which the items should be delivered, specify the timeframe within which the Order should be completed, and a fixed-price for the items to be purchased (including delivery costs). Each individual Order will become a legally binding contract when it has been formally signed by the Foundation and received by the Vendor.

The anticipated contract type is Purchase Order. Unless stated otherwise in the statement of the work, the Contractor is responsible for providing equipment and/or supplies required to perform the services. Completed proposals must be delivered electronically by the deadline of 20 January, 2022 @ 16hrs Malawian Time to:
