1. All submissions and/or communications should be identified by the unique RFQ or RFP Reference Number reflected on the first page of the solicitation document. Failure to comply with this requirement may result in non-consideration of your submission. Late quotes/proposals may be rejected without being considered.
2. Participation in this solicitation is open to all legal vendors that are registered and comply with the laws of doing business in the applicable country where services will be rendered. To be eligible for participation in the bidding procedure, bidders must prove to the satisfaction of EGPAF that they comply with necessary legal, commercial, technical, and financial requirements and are able to carry out the resulting work effectively. EGPAF may, at its discretion, require the presumed winner of the procurement to provide a copy of a valid registration certification and/or tax compliance (i.e. VAT) prior to awarding of the final procurement. Failure to provide this information at that time may automatically disqualify a bidder from selection.
3. EGPAF shall use its best endeavors to ensure that funds provided under this solicitation do not provide direct or indirect support or resources to organizations and individuals that are associated with terrorism, promote or advocate the legalization or practice of prostitution or sex trafficking, or provide assistance to drug traffickers. If, during the course of this solicitation, EGPAF discovers any link whatsoever with any organization or individual associated with any or all of these, they shall be excluded or disqualified from the bidding process.

6. The solicitation is not an offer to enter into agreement with any party, but rather a request to receive proposals or quotations from person(s) interested in providing the goods/services outlined in the released solicitation document. Such submissions shall be considered and treated by EGPAF as offers to enter into an agreement.
7. Any quotations or proposals not addressing each of the submission requirements listed in the solicitation may be considered non-responsive and disqualify the applicant from final selection. Any exceptions to the requirements or terms of the solicitation must be noted in the final submission. EGPAF reserves the right to consider any exceptions to be non-responsive. EGPAF reserves the right to reject all submissions, in whole or in part, enter into negotiations with any party, and/or award multiple contracts.
