EGPAF may, at its discretion, require the presumed winner of the procurement to provide a copy of a valid registration certification and/or tax compliance (i.e. VAT) prior to awarding of the final procurement. If, during the course of this solicitation, EGPAF discovers any link whatsoever with any organization or individual associated with any or all of these, they shall be excluded or disqualified from the bidding process.

Such submissions shall be considered and treated by EGPAF as offers to enter into an agreement.
7. Any quotations or proposals not addressing each of the submission requirements listed in the solicitation may be considered non-responsive and disqualify the applicant from final selection. Any exceptions to the requirements or terms of the solicitation must be noted in the final submission. EGPAF reserves the right to consider any exceptions to be non-responsive. EGPAF reserves the right to reject all submissions, in whole or in part, enter into negotiations with any party, and/or award multiple contracts.
